

Standard 5: Privacy and confidentiality

The MHS ensures the privacy and confidentiality of consumers and carers

Created by Alison Forrester, Tamworth Mental Health Support Group

- 5.6 Eye, ear, mouth: MHS provides sight and sound privacy
- 5.7 House with open door: MHS provides adequate indoor personal space.
Trees: outdoor personal space.
- 5.9 Two people listening to consumers and carers for feedback on services
- 5.9.1 Bird and leaf: space to practice spiritual beliefs and across religious beliefs.
The lizard represents cultural beliefs.
